LEGENDA
— OS KOMUNIKÁCIE

The site plan illustrates the layout of a building complex and its associated parking and communication infrastructure. Key features include:

- Building Footprints:** Several rectangular building footprints are shown, with dimensions such as 41.72m and 12.73m. Bearings for the building edges are indicated, for example, Z0 ɛ:2 0.038 97 and Z0 ɛ:3 0.038 97.
- Parking Spaces:** Parking spaces are marked with dashed red lines and labeled with dimensions like 158.45m and 43.41m. A specific parking space is labeled with a bearing of KT 0.148 84 and a dimension of 48.55m.
- Communication Lines:** Dashed red lines represent communication lines (OS KOMUNIKÁCIE), with dimensions like 150m and 117.5m.
- Other Labels:** The plan includes labels for 'krovie' (roof), 'rola' (role), and 'leká' (doctor). A large area is labeled '1710'.
- Legend:** A legend at the bottom left indicates that dashed red lines represent communication lines (OS KOMUNIKÁCIE).
