## **Power Plant LA AFRICANA Reference Letter**

Madrid, May 15<sup>th</sup>, 2015

To whom it may concern,

The undersigned, Mr. Raúl Nodal Monar, in representation of LA AFRICANA ENERGÍA,S.L., certifies that UTE AFRICASOLAR (Joint Venture between TSK Electrónica y Electricidad, 50%, and ORTIZ Group, 50%) was responsible for the execution of the Solar Thermal Power Plant LA AFRICANA (hereinafter The Power Plant) as a turnkey project and, therefore, for the Engineering, Procurement, Construction, Transport, Commissioning and Testing of that facility.

LA AFRICANA Power Plant is operating satisfactory since it entered in commercial operation, being its main features as follow:

Item	No. of units	Committed	Real
Steam Turbine Power	1	49.9 MWe	49.9 MWe
Construction start date	1	November, 2010	November, 2010
Commercial operation date	1	October, 2012	October, 2012

Sincerely,

***Africana Energía, S.L.***
