(Irrespective of the start date indicated in this notice 15.05.2022)

2) Due to the limited functionality of the ISZU system, the contracting authority provides a complete list of CPV codes in relation to point II.2.2 of this notice.

34515000-0 Floating structures

34514000-3 Floating or submersible drilling or production platforms

43200000-5 Earthmoving and excavating machinery, and associated parts

43260000-3 Mechanical shovels, excavators and shovel loaders, and mining machinery

43262000-7 Excavating machinery

43262100-8 Mechanical excavators

43300000-6 Construction machinery and equipment

60000000-8 Transport services (excl. Waste transport)

- 3) The reasons for not dividing a contract into lots are specified in the procurement documents.
- 4) This contract notice is completely published in English on  
<http://www.uvo.gov.sk/vyhľadavanie-zakaziek/detail/dokumenty/434842>

### **Section III: Legal, economic, financial and technical information**

#### **III.1) Conditions for participation**

##### **III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions:

The tenderer must meet the conditions for participation with regard to personal standing in accordance with Section 32(1) of Act No. 343/2015 Coll. on public procurement and amending and supplementing certain acts (hereinafter referred to as the "PP Act"). The tenderer shall prove the fulfilment of the conditions for participation regarding personal standing by documents according to the PP Act.

##### **III.1.2) Economic and financial standing**

List and brief description of conditions:

The contracting authority shall require proof of fulfilment of the conditions for participation in regard to financial and economic standing in accordance with Section 33 (1)(d) of the PP Act.

Minimum level(s) of standards possibly required:

For limited capacity, the complete conditions for participation are set out in Annex 4 to the procurement documents.

##### **III.1.3) Technical and professional ability**

List and brief description of conditions:

The contracting authority shall require proof of fulfilling the conditions for participation regarding the technical or professional competence in accordance with Section 34 (1)(a) of the PP Act.

Minimum level(s) of standards possibly required:

For limited capacity, the complete conditions for participation are set out in Annex 4 to the procurement documents.

#### **III.2) Conditions related to the contract**

##### **III.2.2) Contract performance conditions:**

- 1) Communication between the contracting authority and the candidates/tenderers takes place in Slovak or English in writing in accordance with the PP Act. The contracting authority shall determine electronic communication implemented through the e-procurement system IS EVO version 18.0 available at the Internet address <https://www.uvo.gov.sk/portal-systemu-evo-5f5.html>
- 2) The tenderer is obliged to scan original documents or their officially certified copies (including official translations) in the PDF format.
- 3) The contracting authority requires the depositing of a security for the tender of EUR 300,000.00. The Bank guarantee or the Guarantee insurance must be part of the electronic tender. The written original of the bank guarantee or the written original of the guarantee insurance must be submitted to the depository office of the contracting authority. The conditions for depositing the tender security are specified in the procurement documents.

### **Section IV: Procedure**

#### **IV.1) Description**

##### **IV.1.1) Type of procedure**

Open procedure

##### **IV.1.3) Information about a framework agreement or a dynamic purchasing system**

##### **IV.1.8) Information about the Government Procedure Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: yes

#### **IV.2) Administrative information**

##### **IV.2.2) Time limit for receipt of tenders or request to participate**

Date: 10/01/2022

Local time: 09:00

IV.2.3) **Estimated date of dispatch of invitations to tender or to participate to selected candidates**

IV.2.4) **Languages in which tenders or requests to participate may be submitted:**

Slovak

English

IV.2.6) **Minimum time frame during which the tenderer must maintain the tender**

Tender must be valid until: 15/05/2022

IV.2.7) **Conditions for opening of tenders**

Date: 10/01/2022

Local time: 11:00

Place:

Radničné námestie 8

Banská Štiavnica

Slovakia

Information about authorized persons and opening procedure:

The tenderer may be represented by a person authorized to participate in the opening of the tenders. The tenderer (natural person), the statutory body or the member of the statutory body of the tenderer (legal person) shall identify themselves with an identity card when attending the tender opening. The authorized representative of the tenderer shall identify him/herself with an identity card and the original or officially certified copies power of attorney (authorization) to represent.

#### **Section VI: Complementary information**

VI.1) **Information about recurrence**

This is a recurrent procedure: no

VI.2) **Information about electronic workflows**

Electronic invoicing will be accepted

Electronic payment will be used

VI.3) **Additional information:**

- 1) The contracting authority is obliged to pay each invoice within 60 calendar days from its delivery.
- 2) The contracting authority draws attention to the application of the institute of security, contractual penalties specified in the draft contract, which forms an annex to the procurement documents.
- 3) The contracting authority evaluates the tender of the tenderer who was placed first according to the evaluation of the tender evaluation criterion regarding meeting the requirements of the contracting authority for the subject of the contract.
- 4) The contracting authority evaluates the compliance with the conditions for participation of the tenderer who, after evaluation of the tenders based on the tender evaluation criterion, takes first place and whose tender meets the requirements of the contracting authority for the subject of the contract.
- 5) The contracting authority draws attention to the fact that with regard to Act No. 177/2018 Coll. on certain measures to reduce the administrative burden through the use of information systems of public administration and on amendments and supplements to certain acts (the Anti-bureaucracy Act) in the currently applicable version, the contracting authority has no access to public registers, from which it could gain access to documents proving compliance with the conditions for participation for the tenderer's participation in the assessment process according to the PP Act.
- 6) The contracting authority allows the tenderer to complete only section "α" of Part IV of the ESPD form (GLOBAL INFORMATION FOR ALL CONDITIONS FOR PARTICIPATION) without having to complete other sections of Part IV of the ESPD form.
- 7) The contracting authority shall require the successful tenderer to submit the documents mentioned in section 24.5 of the procurement documents, prior to signing the agreement.
- 8) The contracting authority draws attention to the fact that it does not have the technical security which by using it would be able to open tenders online in accordance with Section 52(3) of the PP Act.

9) The contracting authority shall not conclude a contract with tenderer(s), who are required to be entered in the register of public sector partners according to special regulation and are not entered in the register of public partners or whose subcontractors are required to be entered in the register of public sector partners according to special regulation and are not entered in the register of public partners.
