THE ULTIMATE MIXING MACHINE REFERENCE

FLEXIMIX 100 & 150 >

Back storage

Work surface

Snap on platforms for 1 Liter cans

Compact packaging

HOUSE YOUR PAINT LINE IN THE WORLD'S MOST COMPACT MIXING MACHINE

- **Patented Quick-Link technology** the most trusted and widely used in the world.
- **Designed for greater flexibility** (accommodates up to 8 mixing and/or storage shelves = 144 x 1 Liter can).
- **Improved durability.**
- **Fast and effortless handling of paint cans** even while the machine is running.
- Cans stay properly engaged with driving mechanism for greater reliability.
- Aluzinc surfaces for fast easy cleaning.
- **Wide range of choices** for both solvent and waterborne applications: 3 models available (100, 150 and 220).
- **Easy and fast assembly:** it takes only 20'!
- **Reduced shipping costs:** compact packaging for one machine (stackable pallet) on demand.
- **Global Support:** guaranteed reliability, quality and worldwide support.
